**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I became a Sonic subscriber when I realized that AT&T was artificially closing down the bandwidth on my internet connection. Using Sonic has opened up my internet connection and my understanding of competition. Please keep competition alive for the consumers of the United States.

I would very much like to get fiber internet, but I won't have any choice if AT&T is the only provider around.
